## Club career

### Early years

He played his first match for the senior team of SK Slavia Prague in September 2006, when he was just 17 years old. A month later, he scored his first league goal.

#### Loan to Jablonec

In 2007–2008 season, he made his debut in the UEFA Champions League, however, he was loaned to FK Jablonec 97 for the second half of the season. Despite playing only 14 matches (of 30), he was Jablonec's top scorer of the season with five goals. When Necid came to FK Jablonec 97 they were at the 15th place (out of 16), which means relegation to a lower league. Nevertheless, the team finished the season at the 12th place, and therefore survived, with Necid being one of the heroes of the team. When his loan came to an end, he stated he wanted to return to Slavia and did not want to play for Jablonec again.

At the end of the season, in his first match for Slavia after his return from Jablonec, he scored a goal against Liberec. Slavia Prague won the Gambrinus liga 2007-08. In 2008 he won the Talent of the Year award at the Czech Footballer of the Year awards.<sup>[1]</sup>
