3				
4				

5				
6				
				Total: ....

Provisions applying if the student does not complete successfully some educational components: (web link to the relevant information)

Exceptions for the recognition of credits*:

Distributed Systems (accepted under reserve)

Introduction to Security (accepted under reserve)

II. COMMITMENT OF THE THREE PARTIES

By signing this document, the student, the sending institution and the receiving institution confirm that they approve the Learning Agreement and that they will comply with all the arrangements agreed by all parties. Sending and receiving institutions undertake to apply all the principles of the ERASMUS Charter for Higher Education relating to mobility for studies (or the principles agreed in the inter-institutional agreement for institutions located in partner countries).

The receiving institution confirms that the educational components listed in Table A are in line with its course catalogue.

The sending institution commits to recognise all the credits gained at the receiving institution for the successfully completed educational components and to count them towards the student's degree as described in Table B. Any exceptions to this rule are documented in the field "Exceptions for the recognition of credits" above and agreed by all parties.

The student and receiving institution will communicate to the sending institution any problems or changes regarding the proposed mobility programme, responsible persons and/or study period.

The student
Student's signature   Date: 30 October 2015
